

ATR FAMILIES

From all-inclusive to custom-tailored support solutions

For 45 years Safran Electronics & Defense has been providing and has capitalized on its experience to continuously develop new-generation solutions featuring advanced functions and high reliability.

We provide a wide range of key systems and equipment to ensure flight safety, including flight controls, navigation and positioning equipment, and aircraft condition and monitoring systems.

- Certification: EASA, FAA, TCCA, CAAC
- A worldwide customer support network

Safran Electronics & Defense is with you every step of the way, building in the intelligence that gives you a critical advantage in observation, decision-making and guidance.

ATR FAMILIES

A wide support network for every customer
