

IMPACT WORKSHOP

We would love to collaborate with your impact organisation and offer a free **2-hour workshop** hosted especially for your team.

THE OPPORTUNITY

This is an opportunity to bring your team together to explore or work on a key question or task, facilitated by our trained course participants.

Do you have a challenge you'd like to get support with through a workshop? Below you can find **examples of the types of workshops you can choose from.**

We understand that each team/organisation is unique, so the workshop will be **tailored to your needs and context** after a discovery call to help shape a comprehensive brief.

WHERE

Online/Offline/Hybrid
(limited spots- first come, first served)

WHEN

2hrs on a Saturday. Different dates available throughout 2024; please contact us for details.

WHO

Our trained Facilitation Course participants will design and host this personalized workshop for you and your team.

WORKSHOP TOPIC OPTIONS

1: Strategy or vision creation

You want to craft a strong vision or align on an existing goal for your organisation. This session will guide you to explore the steps and initiatives to bring it alive and drive your team forward.

2: Team connection

Strengthen the bonds between your team members to build connections for smooth collaboration & achieving things together. This is all about fostering deeper connections amongst your team and building a strong sense of belonging.

3. Creative idea generation

You want to shake things up and generate fresh motivation to look at challenges in a new light. This session is all about conceiving new ideas, finding solutions and thinking big. You'll leave excited and a prioritised plan on how to get started.

4. Your unique brief...

You may have a very specific challenge in your team or organisation you want to solve with a workshop. Send us your brief with what you want to improve, change or explore.

“

The workshop was really nice and inspiring. The group worked really fluently together and made all the steps really clear. **We all loved it, it left us with a lot of thoughts.** Thanks again for this great opportunity.
