

MAKERS IN RESIDENCY 2026:

SELF-ASSESSMENT FORM

Name and surname of the applicant: _____

Name and surname of the team member: _____

WOODWORKING

Technology	Rating (1-5) <i>Beginner knowledge of the technology (1) - I am an expert and can use the technology independently (5)</i>
Performing various tasks with woodworking machines and equipment	
CAD software	
CNC routers	
Laser cutters	
Wood drying and treatment	
Traditional woodworking and carpentry techniques	

METALWORKING

Technology	Rating (1-5) <i>Beginner knowledge of the technology (1) - I am an expert and can use the technology independently (5)</i>
Performing various tasks with metalworking machines and equipment	
Welding	
Metal finishing	
Safety equipment for metalworking	
CNC milling machines	
CAD software	
3D design software	

TEXTILES

Technology	Rating (1-5) <i>Beginner knowledge of the technology (1) - I am an expert and can use the technology independently (5)</i>
Sewing machines	

Cutting tools	
Fabrics and textile materials	
Knowledge of production processes	
Textile printing	
Laser cutter	
Software	

FABLAB

Technology	Rating (1-5) <i>Beginner knowledge of the technology (1) - I am an expert and can use the technology independently (5)</i>
3D design and modeling software	
3D printers and 3D printing	
Laser cutting and engraving	
Electronics prototyping	
3D scanning	
Robotics	
VR and AR
